Seniors
'78'
"The great thing in this world is not so much where we are, but in what direction we're going."

Class of 1978

This was the first senior class that had to meet state competency requirements to graduate. This was in addition to the standard system of credits.

This class also has had the reputation of being apathetic about school affairs. Yet, this was not necessarily so, great numbers of seniors were involved in student government, clubs, athletics, drama, music, as well as being leaders in the classroom.

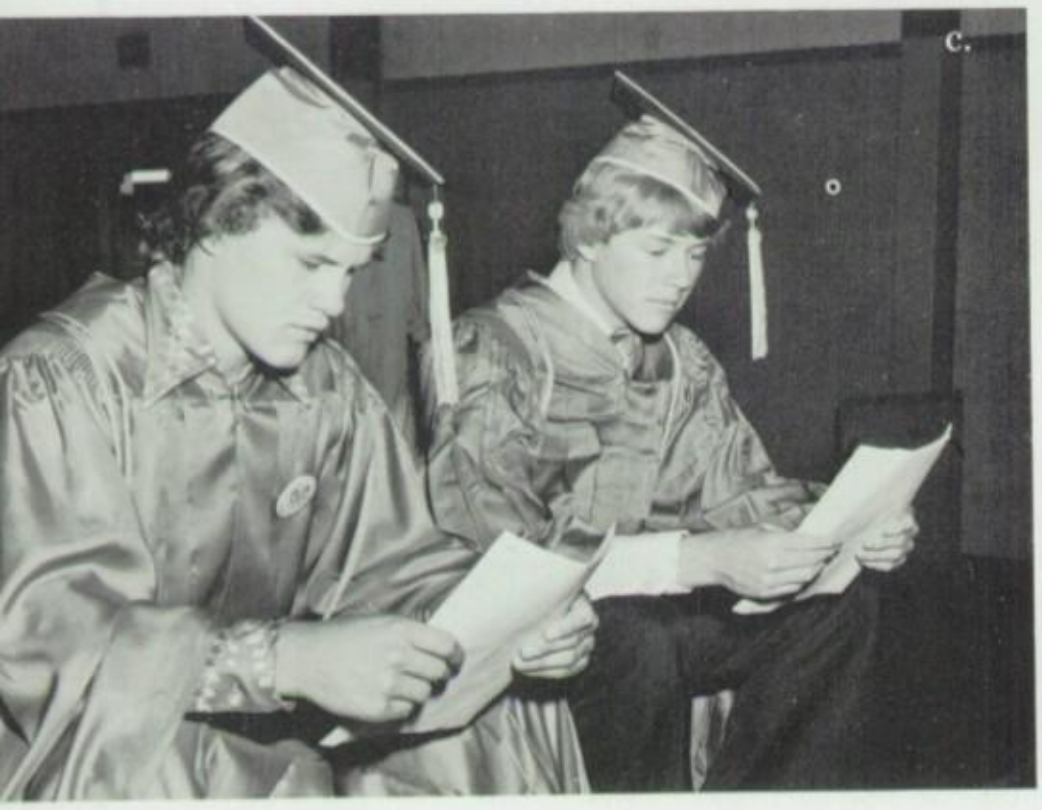
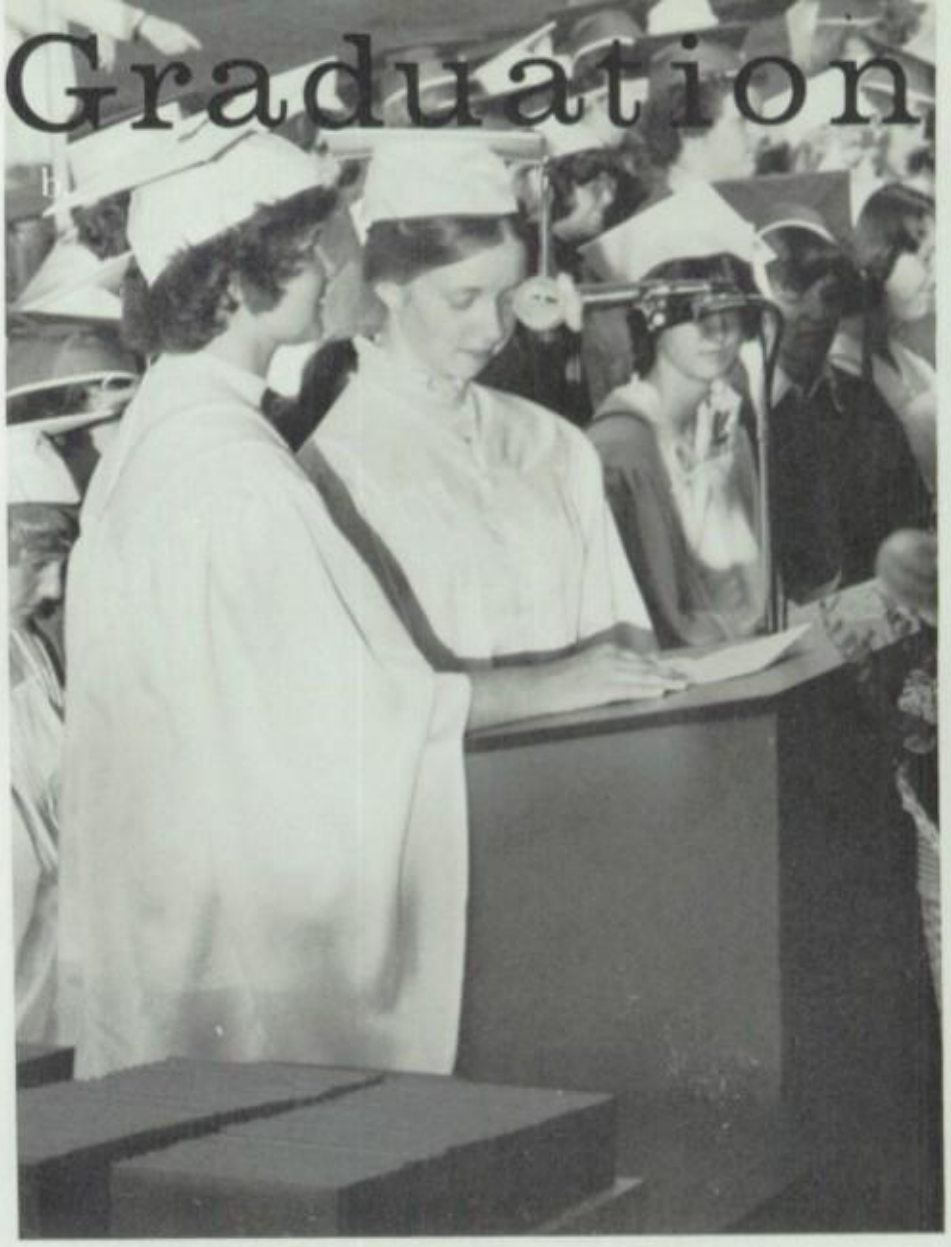
Graduation

a. Terry Hamilton and Kris Rivers help a very happy Tammy Pratt get ready for Commencement. b. Valerie Wilson and Melody Aarstead give their speech on parents. c. Doug Graham and Eric Chastain re-read their speeches one last time. d. Marshell Coltrane joyfully shakes the hand of Principal Marv Brenneman before receiving his diploma.





The graduating class of 1978 had two things unique about them. With 106 seniors graduating, this was the largest class to ever graduate in the history of Pleasant Hill High School. Also this was the first class to graduate under the new competency requirements.

The class flowers were Roses and Carnations. The Ascensions sang "Times of Your Life", the class song. The motto „created by Scott Woodland, was "The great thing in this world is not so much where we are as in what direction we are going." Boyal Blue, Light Blue, and White dominated as the class colors.

Speeches were given by the top seniors in the class. The speakers and their speeches follow: Frank Hladky - the Past
Eric Chastain - the Future
Doug Graham - School and Community
Melody Aarstad and Valerie Wilson thanked the parents.

a. Bowing their heads in prayer, the graduates listen to Terry Glaspey as he opens the commencement ceramonies with the Invocation. b. As their expressions display, Laurie Allred and Scott Woodland are elated to be graduating. c. Brad Lewis smiles gratefully as he receives his diploma from Chairman of the Board, Carolyn Chambers. d. The graduating class of 1978 focuses their attention on Eric Chastain as he addresses his speech on the future to the audience.

GRADUATION

by

Catherine Linn Allison

The cars roll in two hours early
Nervous people pile forth.
The students, in long gowns and caps
Line up in two curved rows,
Whispering among themselves
Some rehearsing their speeches
All with mixed emotional anticipation

Eight girls, gloved with floppy hats
Long flowered dresses carry the arches
Covered with ferns and flowers.
The crowd in the stands quiet
Two streams of blue and white
Glide in to the brass band's tune
Four strips of color arch toward the Heavens.
The procession strides through the fragrance

The heads bow for the Father's honor
Speeches are dully presented
Memories and songs are like a thick fog
Covering all,
Yet no one shares the same.
They cause lumps in throats and eyes to mist.
Each person breaks apart briefly
Striding forward into their future
Collecting proof of their past.

The ceremony closes with bowed heads.
The streams of half-dazed adults
Go back through the flowers offering congradulations
Misty eyes overflow, tears trickling down cheeks
Caps fly to the sky, gowns to the ground
Screaming, hugging, presents, fountains of emotions
Spill forth as they leave
Never.. to return
to the life
They've Known

Class of '79 Looks ahead

During the first half of the year, the juniors, responsible for the Junior-Senior Prom, were in financial trouble. Two of their money-raising projects, selling carnations at the Sweetheart Ball and sponsoring movies at noon flopped, leaving them in debt. However, the Class of '79 made a come back with activities such as a Dance-a-thon and a Bowl-a-thon. Their hard work paid off; enough money was raised to ensure a terrific prom.

Class Officers were: BOTTOM ROW, L-R: Angela Fenley, Sec; Maureen Slusher, Parl; Sheri Longobardo, Treas.; TOP ROW, Sam Marcus, Pres.; Isaac Babbs, V-Pres.

JV Rally

The Junior Varsity Rally was very supportive of the team. They made signs for games and had things baked to give to the players after practice. The girls put lots of originality into their cheers like, "Breaker 1 -- 9", a take-off of the ever-popular CB talk. The only girl on JV Rally with prior experience was Debbie Whipple. She has been a cheerleader for two years previously. Deg Debbie was also the only one of the four girls able to attend rally camp in the summertime. She brought back several creative ideas used by the squad.

Move is exactly what they did. Some of their most memorable routines were "Night Fever" and "Rollercoaster". They performed at nearly every football game and only missed one basketball game. They also put on a Pep Assembly.

They had some money-raising projects. They were two dances and a bowl-a-thon. Dance Team members had alot of support from the student body and raised $150.00.

Varsity Football

The Billie Football Team did not have a winning season this year, but the team worked hard and played as a whole unit. The Billies were in a tough position this year with the new Sky-Em league formed matching the old Skyline teams of South Umpqua, Douglas, Sutherlin, and Glide against the dissolved Emerald League teams of Marist, Creswell, Oakridge, and Pleasant Hill. Out of this league came the state champion, South Umpqua team. Marist, also a member of the Sky-Em league, was rated no. 8 in the state.

The co-captains for the Billies this year were Jeff Greer and Brad Waggoner. Offensive guard Jeff Greer and defensive lineman Brian Miles were selected 2nd team All-League, and Brad Waggoner, Bobby George, and Kevin Cumiford received All-League Honorable Mention.

This year's team was fairly young. It consisted of 6 sophomores, 3 juniors, and 1 senior, Becky Smith. Because the team was so young, they didn't have the experience needed to be a winning team. But Coach Van Roekel says, 'This year.'s team has the potential to win in the future.'

Cross Country

The Billie Cross Country squad had one of its stronger teams this year, compared to past years. The team was composed of one freshman, six sophomores, two juniors, and a lone senior, Paul Buehler. With sophomore Kevin Morris leading the way with a 10th place finish in the district final, the young harriers finished fifth in the league, which was dominated by the Southern schools of the newly-formed Sky-Em league. At the fall cross country banquet, junior Kent Boles, the most consistent runner, was named Most Valuble Player. Sophomore Kevin Morris received the Most Improved award from Coach Bob Darling.

For the second time ever, there was a girls cross country team. Student teacher Pat Rarrick, volunteered his services to coach them. Although the girls didn't have a complete team, they improved endividualy throughout the season.
